L: Boston, USA

Hi, I'm a designer focused on crafting beautiful products which are simple to use, attuned to user needs, and have a sense of delight! My problem-solving abilities and meticulous approach towards design help me create holistic experiences across industrial design, UX and digital experiences. I am inquisitive and a great collaborator with a growth mindset who thrives in agile workspaces.

EXPERIENCE

- Essential Design** (*Part of PA Consulting*) | Senior Industrial Designer
May '19- Current | Boston, USA | I lead design projects in robotics, consumer electronics, CPG and medical equipment for market leaders like Zoetis, Sanofi, PepsiCo, SCJ, ColPal, P&G and Altria. Recently, My recent focus includes leading initiatives in smart pet products, medical devices, lab instruments, veterinary diagnostics, sequencing instruments, and surgical robotics.
- Essential Design** (*Part of PA Consulting*) | Industrial Design Intern
May '18- Apr 2019 | Boston, USA | I worked on consumer electronics, office supplies, and commercial robotics in an agile and multidisciplinary environment. Played a key role in strategy, concept generation, CAD database creation and visualization for Toyota, Guide Beauty, Staples & Zoetis.
- Red Group** (*Part of Carlisle Group*) | Industrial Design Intern
Aug '16- Jan 2017 | Minneapolis, USA | I worked on commercial medical devices focusing on precision surgical equipment. Played a key role in HF, research and product development of medical products and commercial solutions for Ecolab, Honeywell, Envoy, Abbott, 3M.

EDUCATION

- 2013- 2018 | Pune , INDIA | ISD Rubika | Masters in Industrial Design
- 2010- 2013 | Mumbai, INDIA | St. Xavier's College | Higher Secondary Certification

COLLABORATIONS

Starbucks | Design coffee machines and pods
3M | Socio economic business strategy
Harman Kardon | Next generation audio system
Aeris Cleantec | Modular climate control
Bic | Sustainable writing solutions
Godrej | Furniture for work from home
Decathlon | Multi- terrain adaptive sports shoes

SKILLS

Procreate
Photoshop
Illustrator
Indesign
Solidworks
Rhinoceros 3D
Keyshot
MS Office Suite
Design Intent CAD
Design Intent Doc
CMFG Specification
Virtual Reality Tools
Vendor Management
Recruitment

PATENTS

Staples TruRed | Writing Products Lineup (Issued D921,111) | (Issued D913,371) | (Issued D913,372)
Altria Group | Sustainable Structural Product Packaging Patent (Pending 29/867, 743)
Altria Group | Capsule Container/ Container Section Patent (Pending 29/867, 741)
Altria Group | Sustainable Pod Packaging Patent (Pending 18/053,086)
